

# 56 Marietta Street

ATLANTA, GEORGIA

DIGITAL REALTY

## Why 56 Marietta Street?

The Southeast's largest concentration of telecommunications companies can be found at Digital Realty's 56 Marietta Street data center in downtown Atlanta. Digital Realty is the interconnection area operator for the building, which is a major interconnection point that provides businesses with network neutral access to hundreds of carriers. As with all our installations, the building complies with or exceeds International Telecommunication Union (ITU) industry standards.
